## WHO WE ARE

**Chicagoland Fishing has no boundaries**® is an educational, non-profit, 501(c), volunteer organization dedicated to opening up the great outdoors and the world of fishing to persons with disabilities. We provide a fishing experience for individuals who otherwise may not have such an opportunity. Annually for over a decade, in September after most of the traffic has left the Fox Chain-O-Lakes, we host a two-day event at [C. Haling & Sons Marina](#) in Antioch, IL. All participants go out in guided boats and are provided bait, fishing equipment, and special assistive equipment if needed. Continental breakfasts are provided each day, as well as dinner on Saturday and a noon meal at the Sunday awards ceremony. This people-empowering event provides an atmosphere of friendship and camaraderie shared by participants and volunteers.
